XSCRUB[®]

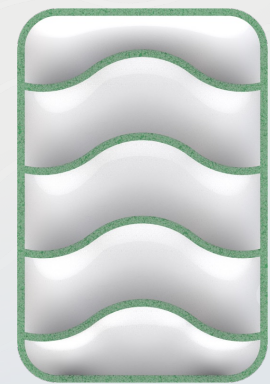

Wound Cleansing Pad

- ◆ Porous design helps gently trap and remove cellular debris and bioburden
- ◆ Contoured ridges help catch and trap larger debris
- ◆ Less pain for the patient, which can improve compliance
- ◆ A low-risk solution useable by a wide range of health care professionals
- ◆ Ideal for multiple care settings: hospital, home health, hospice, long-term care
- ◆ Simple application with immediate results

◆ A Dr. Farrow invention (Certified Wound Specialist Physician with decades of experience and inventor of the Jobst FarrowWrap)*
